Low

Investment Strategy from investment's prospectus

The investment seeks to provide long-term growth of capital.

The fund invests at least 80% of its total assets in equity securities, primarily common stock, of companies in health sciences and related industries. The health sciences sector can include companies in health care equipment and supplies, health care providers and services, biotechnology, and pharmaceuticals. It will concentrate its investments (i.e., invest more than 25% of its assets) in health sciences or related industries, and may invest in companies located in non-U.S. countries.

Category Description: Health

Health portfolios focus on the medical and health-care industries. Most invest in a range of companies, buying everything from pharmaceutical and medical-device makers to HMOs, hospitals, and nursing homes. A few portfolios concentrate on just one industry segment, such as service providers or biotechnology firms.

Notes

Qualified retirement plans from American United Life Insurance Company® (AUL) are funded by an AUL group variable annuity contract. While a participant in an annuity contract may benefit from additional investment and annuity related benefits under the annuity contract, any tax deferral is provided by the plan and not the annuity contract. Registered group variable annuity contracts issued by AUL are distributed by OneAmerica FinancialSM Securities, INC., Members FINRA, SIPC, a Registered Investment Advisor, 433 N. Capitol Ave., Indianapolis, IN 46204, 1-877-285-3863, which is a wholly owned subsidiary of AUL.

For registered products, this material must be preceded or accompanied by prospectuses. For a current prospectus on these variable annuities and prospectuses for the underlying investment options, which contain more complete information including mortality and expense risk charges, administrative costs, portfolio management fees, risks and limitations, please contact your representative or the company. The investment option is not FDIC insured, may lose value and is not guaranteed by a bank or other financial institution. Please read the prospectus carefully before you invest or send money.

Products and financial services provided by American United Life Insurance Company®, a OneAmerica FinancialSM company.

Volatility Analysis

In the past, this investment has shown a relatively moderate range of price fluctuations relative to other investments. This investment may experience larger or smaller price declines or price increases depending on market conditions. Some of this risk may be offset by owning other investments with different portfolio makeups or investment strategies.
