eSponsor — www.esponsor.aul.com

AUL's secure, interactive plan sponsor website, provides you with convenient online services to help you manage your plan efficiently and effectively.

Using eSponsor you can:

- View plan financial activity including asset allocation, contribution confirmation and distribution detail reports
- View compliance testing results and Form 5500 filings (if applicable)
- Access important plan documents, such as Summary Plan Description, Summary of Material Modifications, Contract, Amendments and Agreements (if applicable)
- Review the plan administration manual, legislative updates and regulatory plan notices
- Obtain transaction summary and pending transaction summary reports
- View daily and monthly unit values
- View investment performance, including investment options by style and category
- View participant account activity and update participant personal information
- Access the Loan Center for paperless loans (if applicable)
- Access loan summary and loan default reports
- Add new hires and enroll employees in the plan electronically
- Review plan account activity, including plan asset allocation summary, plan summary and plan entry reports
- Access participant account information, including participant summary, investment election default, beneficiary designation, enrollment, participant missing address and mandatory cashout reports
- Obtain current and past issues of the plan sponsor monthly newsletter

Preparation

Have your plan number, access code and registered email address available. Access codes are provided by your plan services consultant or via email to authorized users.

To register

1. Go to www.esponsor.aul.com.
2. Click on "Register Now".
3. Complete the step-by-step registration process, which includes:
 - Enter plan information, including plan number, access code and registered e-mail address.
 - Accept the terms and conditions of using eSponsor
 - Enter security information
 - Review your information
 - Registration successful confirmation
4. After your registration is complete, add authorized users and assign security roles. Authorized users will receive an access code that they will use to register.

To access and maintain your account

1. Go to www.esponsor.aul.com.
2. Enter your User ID and Password. Click Login.

Wherever you are, we're here to help. Please contact your plan services consultant for any additional assistance you may need.

Important information you should know

Access information

- Access Codes are provided by your plan services consultant or via email to authorized users.
 - You can contact your plan services consultant if you need assistance.
- There are three access levels available for users in eSponsor.
 - **Full** provides access to all information and has the ability to add, delete and update associates account information. Full can also:
 - » View plan info
 - » View employee compensation
 - » Update plan values
 - » Update transactions for participants
 - **Limited** provides access to all plan information except for compliance testing results which contain compensation information. Limited access can also update employee data.
 - **View Only** provides view-only access to all plan information including compliance testing results.
- We recommend that you assign Full Access to a minimum of two users during the registration process.
- You can assign additional users.

Account assistance and maintenance

- You can change your password and maintain associate access by logging in to the website, then selecting the appropriate option under My Profile.
- You can also create a new User ID and Password if forgotten by selecting on the appropriate link on the Account Access page.
